

Company Name : Joanna Wood International Design Practice

Job Title : Senior Architect & Interior Designer

Salary : Depending on experience

Location : Belgravia, London

We are looking for a full time interior architect/designer to join our busy team, working on a variety of residential contracts in the UK and abroad. We are long established and not brand led, so looking for a personality with creative flair and good practical experience.

The successful applicant must have experience at the top end of the residential market and work as a team player.

You will need to be able to translate ideas into AutoCAD, plus a good understanding of joinery and construction, and the ability to liaise with clients.

### **Key Requirements**

- At least 3-4 years' experience
- Confidence in communicating with both clients and contractors in a friendly and professional manner
- Strong organisational and time management skills
- On site experience
- AutoCAD, Adobe, Photoshop, Illustrator, Microsoft Office
- Fluent spoken & written English required

### **How to apply:**

Please send a covering letter and up to date CV to [lcox@joannawood.com](mailto:lcox@joannawood.com)

**Please note:** Position open to UK based applicants only.
