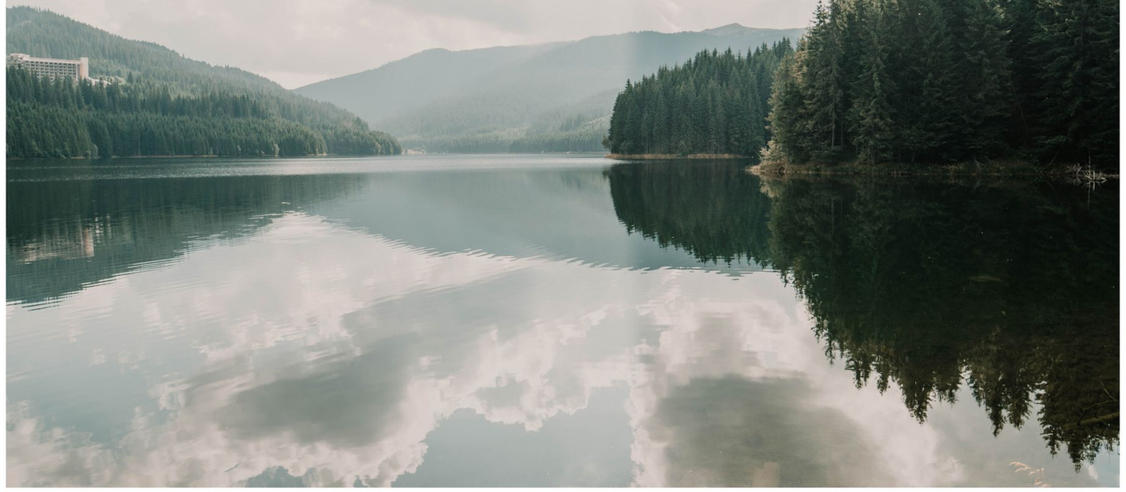
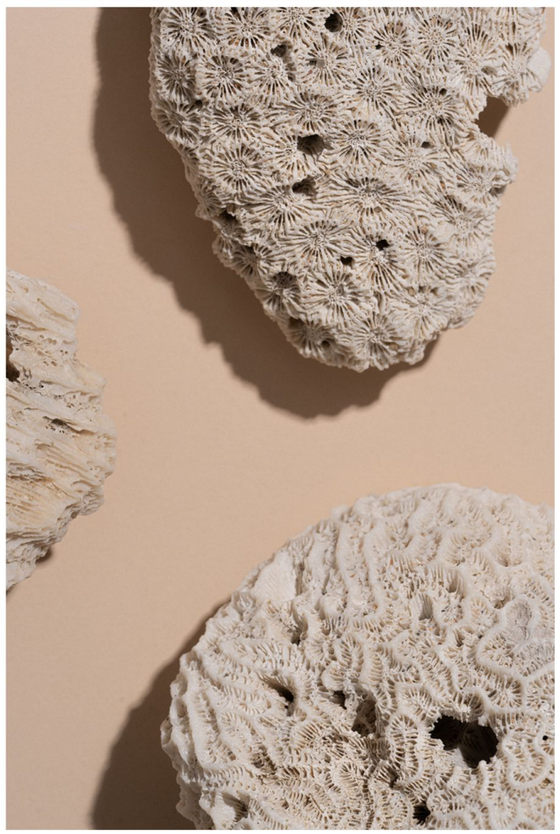
ELEMENTS COLLECTION

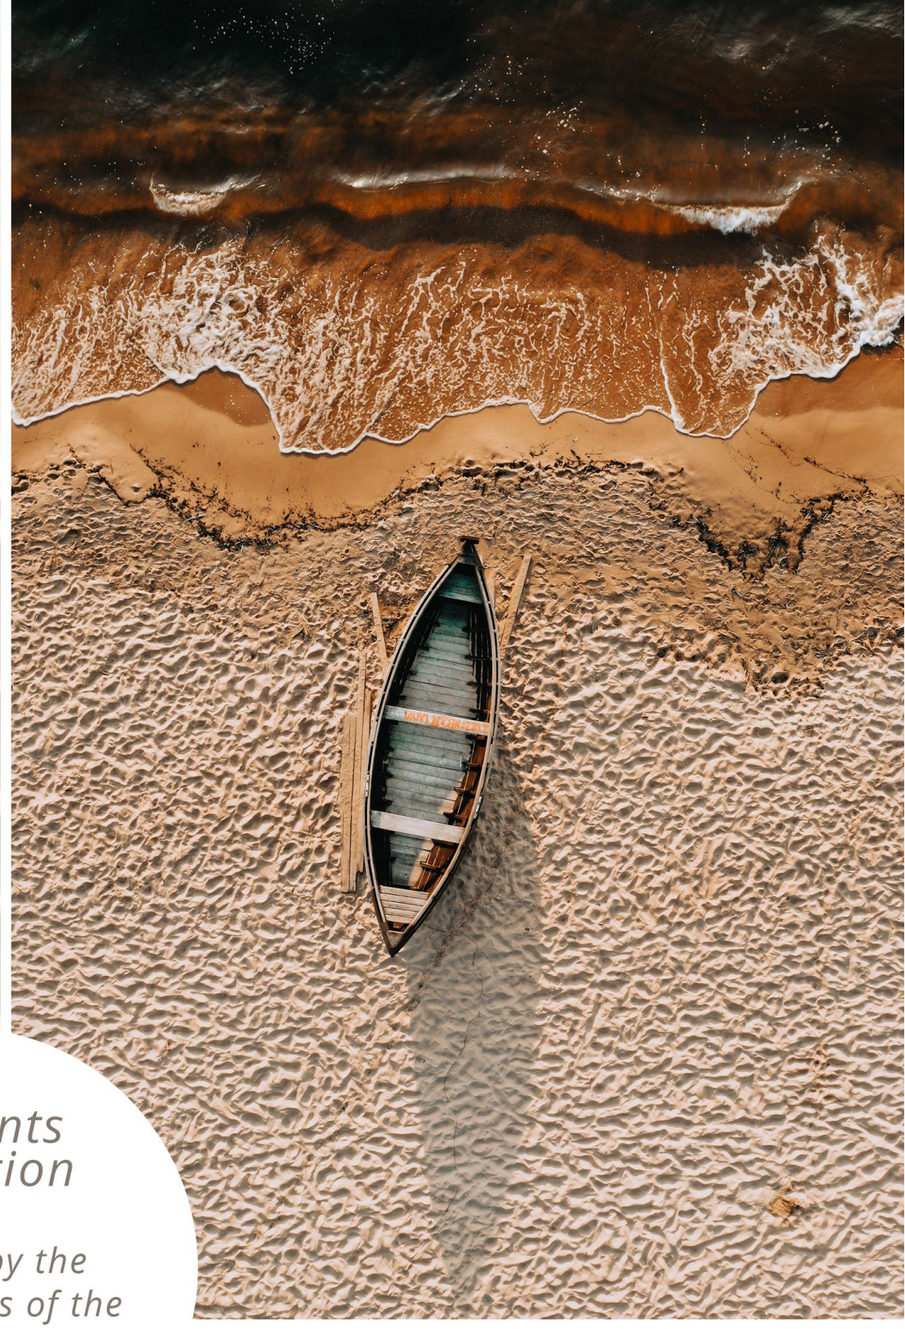
www.marvictextiles.co.uk

Introduction

Evoking the Mediterranean, fabrics in the ELEMENTS collection take inspiration from the natural hues of the sun kissed landscape of the Riviera. Neutral, earthy tones with subtle designs distinguish 3 contemporary linens within the collection all of which are ideal for drapery. This collection is designed to both complement and contrast with the fabrics in the Azure Collection.

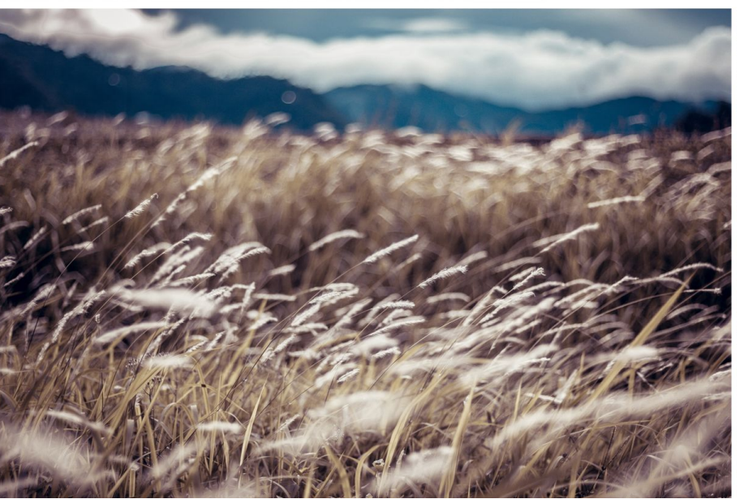






Elements Collection

Inspired by the natural hues of the sun kissed landscape of the Riviera.



Bora

A graceful, subtle striped design, featuring elements reminiscent of striated rock formation. With a luxuriously handle ideal for drapery.

Bora 8016-1 Pebble & Bora 8016-2 Mushroom

Suggested use: drapery and soft furnishings
Composition: 55% Linen, 30% Cotton, 15% Viscose
Width: 140cms/55¼”
Repeat: 55.2cms/21¾”
Special features: washable

Mistral

A timeless and versatile lightweight linen plain with a tumbled finish offered in 4 subtle neutral tones: chalk, pebble, seafoam and prussian.

8017-1 Chalk

8017-2 Pebble

8017-3 Seafoam

8017-4 Prussian

Suggested use: drapery and soft furnishings
Composition: 100% Linen
Width: 144cms/56.75”
Weight per running metre: 400g
Special features: tumbled finish, washable

Bora 8016, Mistral 8017 & Sirocco 8018

Sirocco

With a luxury, silky drape and handle, this design combines a fine polyester warp with a face of slubbed linen to create a beautiful, almost iridescent, plain ideal for both contemporary and country interiors.

8018-1 Mushroom

8018-2 Willow

8018-3 Aqua

8018-4 Malachite

8018-5 Heather

Suggested use: drapery and soft furnishings
Composition: 85% Linen, 15% Polyester
Width: 144cms/56.75”
Special features: beautiful drapery

Sirocco 8018-3 Aqua & 8018-4 Malachite
