FALL 2021
BIBLIOTHÈQUE

BIBLIOTHÈQUE

A breathtaking journey through abundant landscapes and remarkable architecture, the past and future, with delightful designs, fluid forms and luxurious textures. This collection captures a library's enchanting charm and majestic beauty. Surround yourself with materials that get better with time and experience the Fall 2021 collection as the story unfolds.

Haiku & Sakura

Like a scene from a storybook, the soft sky illuminates the quiet beauty of bountiful blossoms and twisting branches. Inspired by traditional Japanese sumi-e painting, a multitude of 22 high contrast and softer colorways are available digitally printed on natural and vinyl grounds for a beautiful collection where artistry meets innovation. From entryways to dining and bedrooms, this overscale design makes a grand statement with or without the blossoms. This innovative wallcovering concept is produced in Phillip Jeffries' New Jersey HQ where each mural takes just 1-2 weeks to produce. It's high-tech artistry at work.

Abstract paint strokes hint at typography, draw you in, and spark your imagination like the pages of a good book. With eight colorways to choose from, you can choose to rest your eyes on the subtle tones or ignite the conversation with pops of color. This would make a striking statement wall in both residential and hospitality settings. Where the story goes is up to you. Available digitally printed on natural and vinyl grounds for a collection where artistry meets innovation. This innovative wallcovering concept is produced in Phillip Jeffries' New Jersey HQ where each mural takes just 1-2 weeks to produce.

Burled Chevron

Coveted for its signature swirly grain, the burls add a unique twist to the modern, geometric pattern. With a touch of glamour, this collection is versatile and perfect for a bedroom, living, or dining room. Nine new colorways are available from bold jewel tones to neutral tones and each new wallcovering is expertly laminated for ease of installation and packed to perfection. This exquisite natural is in stock at PJ's US headquarters.

HOW IT'S MADE

- BURLED CHEVRON -

PHILLIP JEFFRIES

Artistry begins with the selection of high-quality products. Skilled artisans select authentic poplar burl wood before slicing it into thin veneers and washing it with color. Next, they dye cut and hand lay the pieces in an angular pattern on metallic grounds. The wallcovering is expertly laminated for ease of installation and packed to perfection.

Vinyl Wood Veneer

The warm tones and organic textures of wood inspire this modernized performance vinyl collection. Two alternatives highlight the best of the wood veneer style including

Vinyl Veneer with 10 new colorways in a vertical pattern and Vinyl Floored with a horizontal pattern in another 10 new colorways. Our award-winning designs are engineered for residential and commercial use and can be used in high traffic and damp areas. From bathrooms to ballrooms, kitchens to corridors, our performance vinyl wallcoverings are on display at some of the finest hotels and homes throughout the world. Luxury has never been so durable and affordable.

Gallant Grasses

An update to a classic grass, this handwoven natural is full of refined texture and organic knotty details. The woven piece is saturated with color while the backing is dyed to match. This collection is in stock and comes in a wide variety of 14 new colors including rich jewel tones with a chic finish perfect for a bedroom, living room, or home office.

HOW IT'S MADE

- GALLANT GRASSES -

PHILLIP JEFFRIES

This multi-step process begins with the harvesting of natural grass. Then, skilled artisans weave and knot the grass for a unique, handcrafted texture. The woven piece is saturated with color while the backing is dyed to match. To ensure the quality and integrity of the product, the wallcovering is expertly laminated and finished with a layer of protective coatings.

All Wound Up II

This tightly woven Japanese paperweave has been in production for generations, and consistently produces the same elegant, chromatic texture that is both effortlessly beautiful and virtually seamless. With six new colorways from soft neutrals to pale pastels, this very popular and luxurious seamless collection provides the elevated look of a natural grasscloth wallcovering without the paneling. Perfect for a bedroom, dining room or hallway, this collection is in stock at our US warehouse and a designer's go-to resource for seamless texture.

Winchester Weave

Handsome haberdashery for the home. Crafted by artisans in Japan, multiple strands of fine paper threads known as Bokashi yarns are intricately woven together to create a menswear-inspired pattern with a virtually seamless effect. This collection of 10 colorways from classic blues to soft neutrals are our US warehouse and have an anti-fray and stain repellent finish. It's a modern twist on a suiting-inspired pattern perfect for any room in the home including a home office or dressing room. A weave so pretty you'll wish you were wearing it.
