Chelsea Harbour

is delighted to take part in Chelsea Fringe

20 May – 4 June

Discover how designs inspired by flora and fauna are such an important theme for spring/summer.

## INSTALLATION

Sunflowers in all their colourful glory are a sight to behold. Exploring the connection between design and horticulture, a witty installation of over-sized sunflowers, handmade from fabrics ‘home grown’ at Design Centre, Chelsea Harbour showrooms, are complemented by outdoor furniture, lighting and accessories. The pop-up reflects the current zeitgeist in garden design for locally sourced plants and materials.
