Single seat cushion

INTRODUCTION

Beaufort Interiors was established in October 1981 by Ruth Wilson. It is an internationally renowned, family run business, which initially specialised in designing & manufacturing the highest quality window dressings & soft furnishings for prestigious interiors using the most exquisite fabrics & trimmings.

Beaufort have continued to evolve, introducing their own exclusive furniture collection designed by Ruth's son Trevor Wilson. Manufactured in the UK, this is a highly versatile collection which can be customised to achieve any vision.
