

The Interiors House is looking for a Midweight Furniture Designer to join its team in London.

We are seeking an ambitious and talented designer with three to six year' experience to work on high end interior design projects in the residential sector.

This role is a rewarding opportunity for someone looking to become an essential member of a luxury furniture practice and be surrounded by a creative and passionate environment.

Working within a project team, the designer will be responsible for designing the manufacture of highly detailed, bespoke furniture and lighting pieces. For this role, candidates should clearly show competent technical knowledge and have high attention to detail.

The candidate should also:

- be capable of clear communication; fluent in English, both written and verbal
- be fluent in AutoCAD and proficient in Photoshop and InDesign
- assist with the concept design and presentation by helping with image sourcing, photoshop editing and setting up / printing presentation boards and booklets
- be able to deliver neat, clear and accurate technical drawings and design information

We are an equal opportunities employer and are open to flexible working.

Salary: 30.000£

How to apply

Please send your CV and a covering letter (as PDF) to office@theinteriorshouse.com

Due to the high number of applications we receive, we will only be responding to candidates that meet the above credentials.

Candidates must have right to work/relevant work permits for the UK.
