

OSBORNE & LITTLE

Osborne & Little is one of the world's leading names in fabric and wallpaper design. Cherishing its reputation for innovation and quality, it has grown into one of the great British brands, globally renowned and respected.

We are looking for someone to be part of our small, friendly team as a Showroom Assistant at our London flagship store on King's road, Chelsea. You will be involved in a variety of duties including but not limited to; retail sales, placing orders, general administration as well as assisting trade and retail customers with design, colour and interiors advice.

The successful applicant will well-presented, have excellent communication skills, the ability to multi-task, along with being able to work well within a small team. It is important that the applicant is confident, reliable, motivated and can use their initiative when required as well as being able to work under pressure. Previous retail or customer facing experience is essential. A background in design, furnishings, or interiors with some administration experience would be an advantage.

Please note, we do often need additional cover during the week so flexibility at short notice would be expected.

Required Immediately

Mon 10am - 6pm & Sat 10am - 5pm

**Additional days, as required*
