PENNY MORRISON

**Job Title: Mid-Level Interior Designer**

**Company Description:**

Penny Morrison Ltd is a world-leading interior design company with expertise across residential and corporate projects globally, as well as a fast-growing textiles and home accessories business. The company is very much family-owned and benefits from being a small but fast-moving enterprise. The interior design team work on some of the most high profile projects around the world, and the textiles and home accessories businesses supply other leading interior designers and retail clients with high quality products for their homes. The Company has a showroom and offices in Chelsea, London, as well as other offices around the UK for its textile and home accessories businesses, with other representative showrooms around the world.

**Job Description:**

This job covers requires at least 2-3 years working as a junior or assistant interior designer to another leading designer. Part of this role will be supporting and working directly on any ongoing and future interior design projects that the company is contracted to work on, and will be working closely with our Founder, Penny Morrison, during all phases of the design process for our projects from concept to handover.

**Skills necessary:**

- Preparing documents and materials for meetings
- Create, prepare, and present design concepts for review, mood boards, research, and have a strong understanding of materials
- Producing furniture layouts, floor plans and joinery
- Disciplined to work within FF&E budgets and source to a timetable
- Source and procure items at all stages of the construction and installation
- Attend site visits when needed
- Develop, design, and present ideas for implementation to lead designers and directors

**Requirements:**

- Firstly, you will need previous high end residential design experience of at least 2-3 years, with the use of Vectorworks or AutoCAD a plus.
- Also, you need to be able to interpret what is needed for the look and select appropriate FF&E items
- Experience in being part of a collaborative design environment and working as part of a small team.
- Knowledge of local and online showrooms and resources and industry trends
- Thrives in a fast-paced dynamic, creative environment
- Confident in taking initiative and managing assigned tasks while working independently
- Strong communication and presentation skills, written, verbal and visual.
- Excellent Client Service interaction skills.
- The role will be initially based in our London Showroom and offices.

Salary will be dependent on experience. If you would like to apply for this position, please email your CV and cover letter to [ted@pennymorrison.com](mailto:ted@pennymorrison.com)
