

Job Advert

POSITION: FF&E DESIGNER - YACHTS

Are you passionate about luxury interior and FF&E design wishing to come join our vibrant, world renown luxury yacht design studio? We are seeking someone who is enthusiastic and at the same time has an eye for detail striving for perfection.

ABOUT US:

We are an award-winning company and have a genuine team ethic working towards achieving the most desirable yacht designs in the world together. The studio is idyllically located in historic countryside, close to the ocean.

ROLE:

Reporting to the Head of FF&E, the Junior FF&E Designer will assist the FF&E Designers, Senior FF&E Designers and Head of FF&E on the curation, selection and supply of projects. Having a clear understanding of the project schedule and creative brief, the Junior FF&E Designer helps to ensure that the projects are delivered on time, to budget, to an exceptional standard and to the brief set by the Creative Collective. The role will involve work on concept development, administration of project specifications and preparation of client presentations. The role will be demanding and rewarding in equal measures. There may be frequent international travel to visit our global client base and shipyards.

KEY RESPONSIBILITIES:

- Understand and interpret the client brief set by the Head of FF&E with support from the other FF&E designers
- Help develop the FF&E concept ensuring it adheres to Company Values
- Work on selection of furniture, materials and finishes, ensuring outstanding client presentations
- Have a clear understanding of the timeline, budget and deadlines of the project and ensure FF&E
- Researching all of the necessary information for the specification document such as materials, dimensions and lead times.
- Ordering samples, gather information required to finalise orders i.e. leg finishes/metal finishes/CFAs.
- Produce accurate specification document including all necessary information
- Updating the cost information in the specification document to allow accurate monitoring of the budget.
- Assisting with the preparation of client presentations, including printing, mounting and packing the presentations.
